

## Interfaith Build

In 2015 we help our first Interfaith Build Event with representatives from Muslim, Buddhist, Jewish and Christian Congregations. Thea day was a great success. In 2016, in the fall we are going to push the envelope and do a week, and we are moving toward a whole home. For details call Jenny at our office at 847-836-1432. Dome miss a chance to participate in a watershed event.
